### About ACT-SO

ACT-SO--the Afro-Academic, Cultural, Technological and Scientific Olympics--is a year long enrichment program designed to recruit, stimulate, improve and encourage high academic and cultural achievement among African American high school students.

Students compete locally in one of twenty-five categories for a chance to represent the Champaign County Branch NAACP ACT-SO at the National competition. This year's competition will be held in New York City.

**ACT-SO: Today's Youth...Tomorrow's Legends. "If you believe you can do it, then...ACT-SO!"**
